Forecast for Thursday 01 Jun 2023

Weather: Low cloud across the Arrochar Alps and Trossachs will slowly clear during the morning to leave a dry afternoon with some sunshine. Another fine day further north and west with plenty of sunshine through the day. Clouds increasing across eastern ranges later in the evening

Chance of cloud-free hill tops above 800m: 90%, but locally 10% at first across the Arrochar Alps and Trossachs, although cloud mostly below 900 metres.

Low Cloud and visibility: Extensive or broken cloud at first across Arrochar Alps and Trossachs, bases 300-500m, but highest summits should remain clear, just above the inversion. Small amounts of cloud elsewhere with bases above the summits. Visibilities generally good or very good. Patchy or broken cloud spreading west across eastern ranges later in the evening, bases 400-600m
